

REQUEST FOR PROPOSALS

LANDSLIP REPAIR PROGRAMME – PHASE 1 – CONSTRUCTION WORKS

The National Infrastructure Development Company Limited (NIDCO) on behalf of the Ministry of Works and Transport is undertaking a Landslip Repair Programme (LRP) throughout the country. The LRP is specifically aimed at the repair of landslips, located primarily along the Highway Division's road network in Trinidad, which have reduced the travelled roadway width and in some cases threaten or have caused the collapse of buildings. Projects under this phase of the Landslip Repair Programme (LRP) are listed below:

- Tender No. 1907/08 – CP13 L51 – Reform Road
- Tender No. 1907/09 – CP18 L64 – San Francique Road (185 C.D.)
- Tender No. 1907/10 – CP4 L06 – Arima-Blanchisseuse Road 22.1-22.125 Km

ELIGIBILITY

Submission of tenders is open to all contractors registered in Trinidad and Tobago who can demonstrate that they have the expertise, experience, and financial resources in projects of similar size and type as outlined in the Invitation to Tender. Evaluation criteria for construction are: General Background of Organization; Qualifications and Experience of Proposed Personnel; Similar/Relevant Work Experience; Resources, Equipment & Plant; Construction Approach inclusive of HSE & quality control plans and work programme; and Financial Capability per landslip package.
