

# PUBLIC NOTICE

## CHANGE IN THE TRAFFIC ARRANGEMENT (Mosquito Creek/ South Trunk Road)

The National Infrastructure Development Company Limited (**NIDCO**) and the Ministry of Works and Transport (**MOWT**) together with its agent JUSAMCO Pavers Limited (**JPL**) wish to advise the traveling public of a proposed change in the traffic arrangement at Mosquito Creek, South Trunk Road, from **12:00 Noon on Wednesday 23<sup>rd</sup> October 2019 and continuing**.

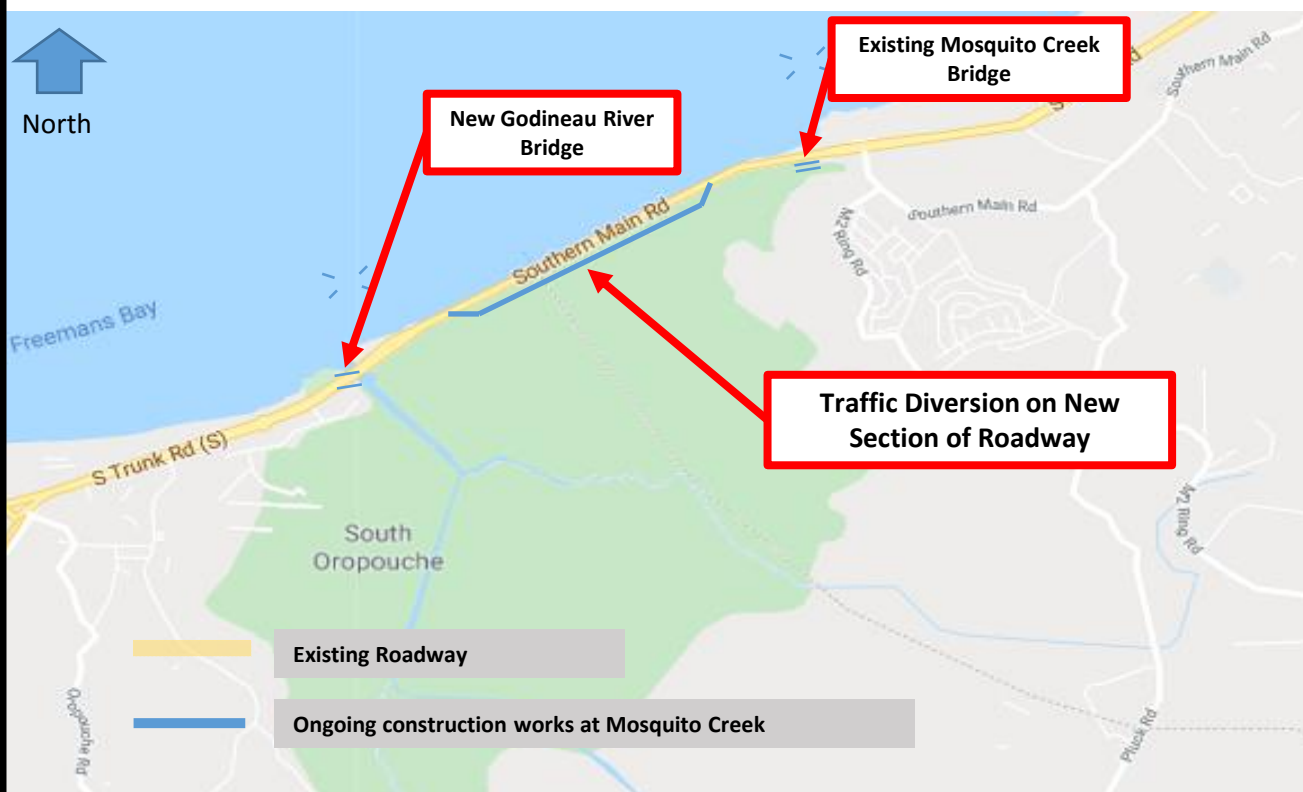

This temporary change is being done to provide early relief of the perennial flooding that impacts commuters using the Mosquito Creek roadway as well as to facilitate construction of the northbound carriageway works, as part of the on-going completion of the **Solomon Hchoy Highway Extension to Point Fortin Project (SHHEPF)**.

### Motorists are advised that :

- The existing traffic arrangement between Mosquito Creek and Godineau River will be modified.
- Traffic will be diverted unto a newly constructed segment of the SHHEPF at Mosquito Creek.
- The posted traffic speed will be 30 km/hr.
- There will be ongoing works along the Mosquito Creek as part of the construction of the SHHEPF Project.

### Motorists are also advised to:

- Proceed with caution and observe all directional signs.
- No overtaking is allowed on the new section of roadway.
- Be aware of on-going construction works and heavy equipment operating at the intersection.
- Comply with any instructions from Police Officers on site to facilitate the flow of traffic in an orderly manner.

All precautions are being taken by NIDCO, MOWT and its contractors to ensure proper Health, Safety and Environmental Standards are maintained.
