CUREPE INTERCHANGE PROJECT

TEMPORARY TRAFFIC DISRUPTION

**Temporary Traffic Disruption along the Churchill Roosevelt Highway
in the vicinity of the Curepe Interchange
from Wednesday 5th February, 2020 at 9:00pm to Thursday 6th February, 2020
at 3:00am**

The National Infrastructure Development Company Limited Ltd. (NIDCO) in partnership with the Ministry of Works and Transport (MOWT) wishes to advise the general public (motorists/residents/pedestrians) that:

- there will be traffic disruption(s) along the eastbound and westbound lanes of the Churchill Roosevelt Highway (CRH) in the vicinity of the Curepe Interchange between the hours of 9:00p.m on Wednesday 5th February, 2020 and 3:00a.m. on Thursday 6th February, 2020.
- one (1) lane of traffic will remain open to motorist along the CRH at all times.

This traffic disruption is necessary to facilitate works associated with casting the Bridge Deck for the Curepe Interchange. Motorists are advised however that the following **alternative route** will be in effect:

ALTERNATIVE ROUTE

During this period ONLY the Priority Bus Route will be open from its intersections with the Uriah Butler Highway (Mt. Hope Intersection) to the Macoya Road Intersection.

Motorists are also advised to comply with following:

- proceed with caution and drive at a reduced speed on approaching the work zone
- observe all temporary directional signage provided on the approaches to the site
- instructions issued by police officers on site to facilitate a safe and orderly flow of traffic
- be aware of heavy equipment entering and exiting the site

All precautions are being taken by the MOWT, NIDCO and its Contractor to guarantee proper Health, Safety and Environmental Standards are maintained.

We thank you for your continued cooperation and regret any inconvenience caused.
