

INVITATION TO VIEW AND COMMENT ON THE REVISED SOCIAL IMPACT ASSESSMENT REPORT

CONSTRUCTION OF A VEHICULAR OVERPASS IN THE VICINITY OF POWDER MAGAZINE AND RELATED ROAD IMPROVEMENTS

The Ministry of Works and Transport (MOWT) through the National Infrastructure Development Company Ltd (NIDCO) has embarked on a project to improve the intersection of the Diego Martin Highway and the Western Main Road for improved access, safety, mobility, and connectivity.

MOWT applied to the Environmental Management Authority (EMA) for a Certificate of Environmental Clearance (CEC 5500/2018) for the Construction of a Vehicular Overpass in the vicinity of Powder Magazine and Related Improvement Works. As an integral part of the CEC process, a Social Impact Assessment (SIA) was conducted.

As a key stakeholder, this invitation serves to invite you to view and provide comments on the Revised SIA Report completed by Kairi Consultants Ltd. Given the ongoing COVID-19 pandemic, the report will be made available for public viewing electronically from **Tuesday 5th May, 2020 to Wednesday 3rd June, 2020** via NIDCO and MOWT's web-based platforms:

DOCUMENT NAME

Revised Social Impact Assessment Report for the Construction of a Vehicular Overpass in the Vicinity of Powder Magazine and Related Road Improvements Project.
