

INVITATION TO A VIRTUAL PUBLIC CONSULTATION

Repair Works of Bridge: CP 28 B2/1 Cunapo Southern Main Road, Sangre Grande

The Government of the Republic of Trinidad and Tobago, through the Ministry of Works and Transport (MOWT) and the National Infrastructure Development Company Limited (NIDCO) has commissioned this project under the Bridges Reconstruction Programme - Phase 2 Package C. Repair works to the existing bridge is necessary to provide safer transportation infrastructure for commuters.

The objective of the Bridges Reconstruction Programme is to modernize the country's existing bridges to improve vehicular and pedestrian safety and convenience while using the roads and highways. Communities within the proximity of the reconstructed bridges will benefit from improved accessibility to services and facilities in shorter times with less wear and tear on motor vehicles.

In keeping with COVID-19 Public Health Regulations, a virtual Public Consultation is scheduled regarding repair works to the Bridge: CP 28 B2/1 Cunapo Southern Main Road, Sangre Grande. The purpose of the consultation is to share information on the proposed works and facilitate questions and comments on the project and therefore, NIDCO is inviting you to a scheduled Zoom Meeting.

The meeting details and proposed plan of the works are as follows:
