

INVITATION TO VIRTUAL PUBLIC CONSULTATION

ESTABLISHMENT OF A FISHING PORT AT GRAN CHEMIN, MORUGA (CEC 5601/2018)

The Government of the Republic of Trinidad and Tobago (GORTT), through the Ministry of Works and Transport (MOWT) has proposed the construction of an Offshore Fishing Port at Gran Chemin, Moruga on the south coast of Trinidad. This Offshore Fishing Port will work in tandem and offer support to the Onshore Fishing Facility which is currently being constructed under a separate CEC. In keeping with the requirements of the EMA, NIDCO will be hosting the 1st virtual public consultation on:

Thursday 29th July, 2021 at 5:30pm

(event will last approximately 90 minutes)

Please register in advance at tinyurl.com/MorugaEIA or

Join us live on facebook.com/nidcoltd and tinyurl.com/NIDCOyoutube

Agenda:

- To introduce the project's purpose and need
- To provide a description of the project and alternatives which were considered
- To introduce the EIA and plans for its conduct
- To obtain feedback from the community and stakeholders

A project brief will be delivered to households in the project community via TTPPOST. The EIA Terms of Reference and project brief can be viewed at www.nidco.co.tt or facebook.com/nidcoltd
