

TEMPORARY TRAFFIC DISRUPTION ALONG KEN VALLEY ROAD TO WEST PARK SAVANNAH AND THE NORTH BOUND TURNING LANE TO VICTORIA GARDENS

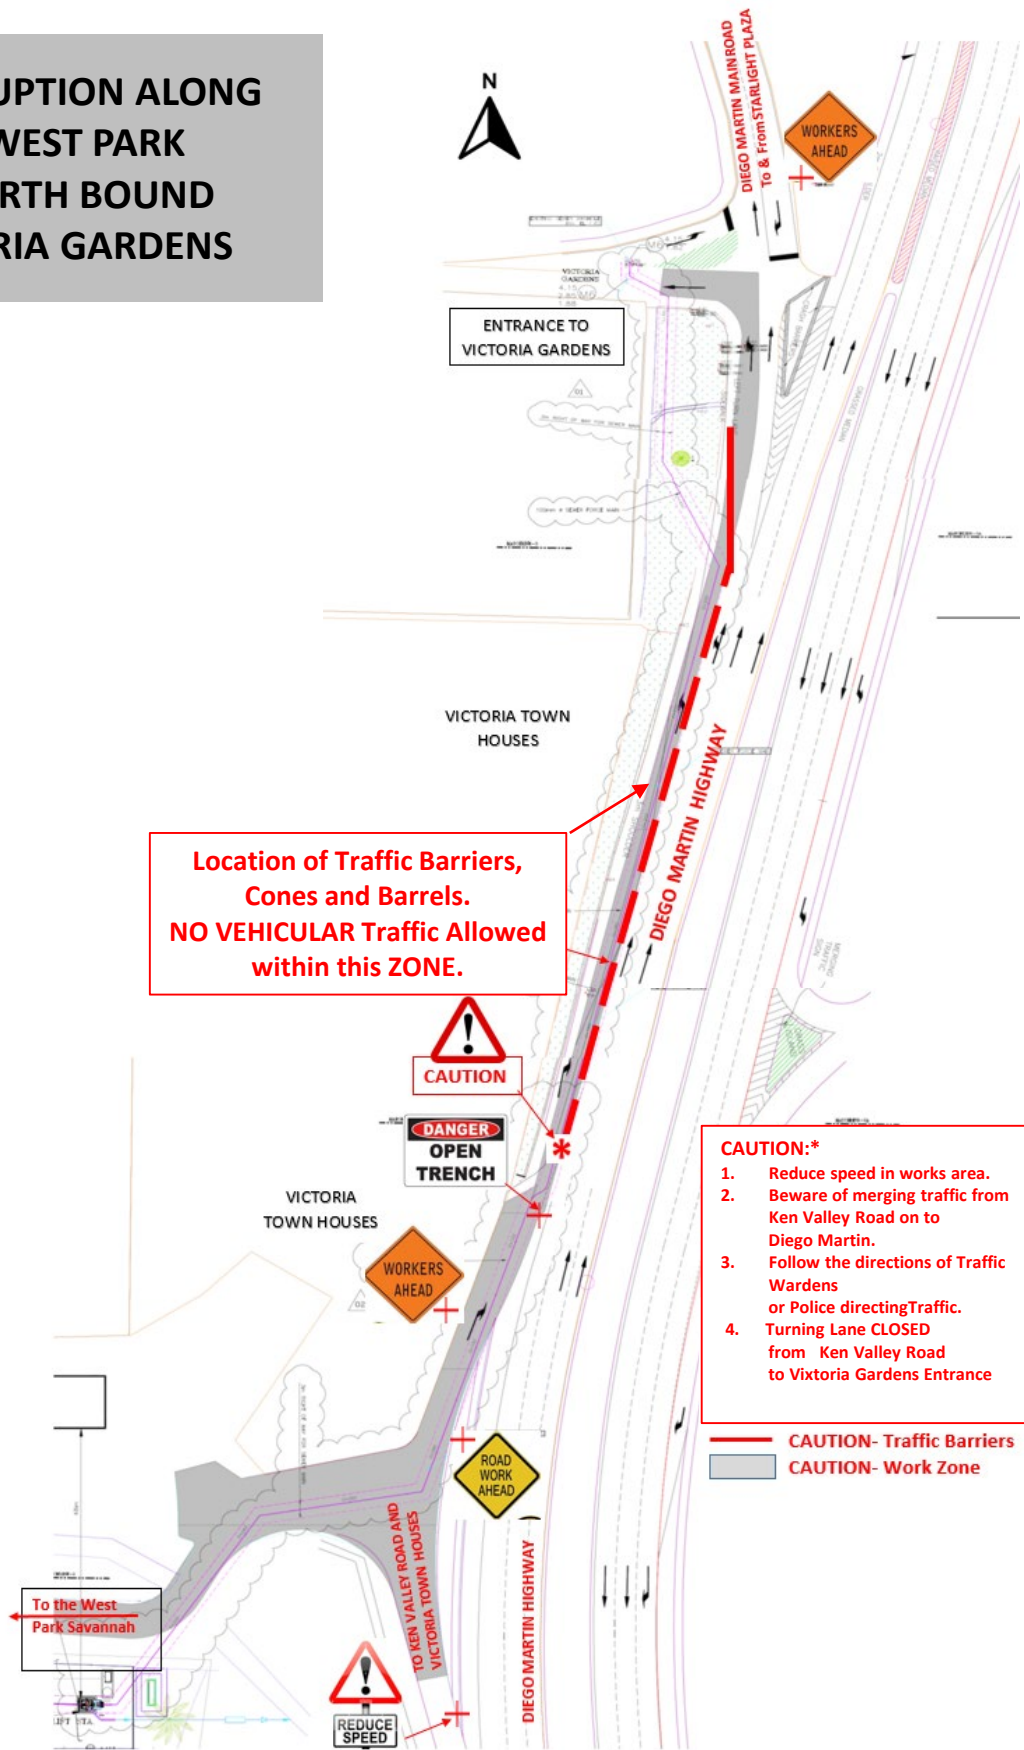

The Ministry of Rural Development and Local Government (MRDLG) in partnership with the National Infrastructure Development Company Limited (NIDCO) advises the public (motorists/residents/pedestrians) that there will be temporary disruptions to vehicular traffic exiting Ken Valley Road and entering Victoria Gardens.

These temporary disruptions are necessary to complete road repair works associated with implementation of the sewer force main to the new Diego Martin Regional Corporation Building located along Ken Valley Road.

These works will be executed from:
Wednesday 8th June to Saturday 18th June, 2022 between the hours of 8:00 a.m. to 6:00 p.m.

Motorists operating in the vicinity of the work zone are advised to comply with the following:

- Proceed with caution and observe all directional signs.
- Be aware of on-going construction works and heavy equipment operating between Ken Valley Road and the entrance to Victoria Gardens.
- Comply with any instructions from Police Officers to facilitate the flow of traffic in an orderly manner.
- Be aware of merging vehicles from Ken Valley Road to the Highway.

All precautions are being taken by the MRDLG and NIDCO to guarantee proper Health, Safety and Environmental Standards are maintained. We thank you for your cooperation and regret any inconvenience caused. For further information, please contact:
