PUBLIC NOTICE

NIDCO's Policy Against Corruption in its Tendering Process

The National Infrastructure Development Company Limited (NIDCO) advises the public, including, and in particular, potential and existing consultants, contractors, and suppliers of goods, services and works that NIDCO remains committed to upholding the principles of transparency and ethical conduct in its procurement practices.

As such, in accordance with NIDCO's tender rules, should NIDCO determine that an inducement or other corrupt, fraudulent, collusive, coercive or obstructive practice was carried out in relation to any tender or proposal, NIDCO shall take immediate action against such unethical practice, including the immediate removal or suspension of the offending bidder(s) from its list of qualified bidders AND rejection and revocation of the tender or proposal in its entirety.

This shall apply without exception.
