

Non-Sailing of the M.V. Cabo Star from 5th June to 16th June 2023, Due to Planned Maintenance Works

The Trinidad and Tobago Inter-island Transportation Company Limited (TTIT) wishes to advise all Truckers and other Users of the cargo service that from Monday 5th June to Friday 16th June, 2023 the inter-island cargo vessel – M.V. Cabo Star will be taken out of service to undergo planned maintenance works, alongside the harbour in Port of Spain. The vessel is expected to resume normal operations on Saturday 17th June, 2023.

During the period of the Cabo Star's absence from service, the following measures will be effected to ensure that the cargo requirements are facilitated:

- Additional sailings of the Cabo Star are scheduled on Saturday 3rd June and Saturday 17th June, 2023 at the following times:
Depart from POS – 1.00 PM & Depart from Scarborough – 10.00 PM
- During the two (2) weeks of the works, vehicles up to 7,000kgs will be accommodated on the Buccoo Reef & A.P.T. James. Overloaded vehicles and other vehicles with extensions will not be allowed on the Buccoo Reef & A.P.T. James.
- Users are advised that due to space limitations on the vessel(s), there will be no storage of cargo on the Port's compound and flatbed operations will cease during the period.
- No dangerous cargoes or livestock will be transported on the Buccoo Reef and A.P.T. James.
- During the absence of the vessel, priority will be given for the transport of food items.
- Please note that vehicles without an accompanying driver will not be allowed on the passenger vessels (Buccoo Reef, A.P.T. James & Galleons Passage).
- At the Port of Spain Ferry Terminal, trucks and other vehicles will be required to park within the terminal yard to access the vessel(s). All ticketing and check-in processes will be facilitated inside the POS ferry terminal building.

At the Port of Scarborough, all systems will remain as is.

The Management of TTIT regrets any inconvenience that may be caused with the change in the normal schedule of the M.V. Cabo Star. These maintenance works are necessary to ensure the vessel's optimum performance and the safety of all passengers, vehicles and personnel during its sailings.

TTIT remains committed to providing this vital service and thanks you for your continued support and cooperation.
