

The National Infrastructure Development Company Limited (NIDCO) is a Special Purpose State Enterprise established by the Government of the Republic of Trinidad and Tobago to manage the delivery of assigned infrastructure projects. NIDCO is currently inviting applications for the following position within the Marine Services which manages the Water Taxis and Inter-island ferries.

MAINTENANCE ASSISTANT

CATEGORY OF STAFF: Contract [Short Term]

JOB SUMMARY

The role involves aiding maintenance technicians in the upkeep and repair of vessels, machinery, and equipment. It includes assisting in the monitoring and maintenance of various vessel areas such as engine rooms, passenger zones, decks, and hulls. Additionally, this position is crucial in supporting bunkering operations for the vessels.

KEY DUTIES AND RESPONSIBILITIES

- Responsible for bunkering the vessels and filling out the bunkering records.
- Acts as an apprentice or assistant, undertaking less complex mechanical tasks.
- Responsible for maintaining cleanliness or housekeeping in the areas where work is being performed.
- Assists with repairs to piping; assists with maintenance /repair of motors, compressors and generators; assists with repairs to HVAC equipment, heating/ventilating units, exhaust fans, steel guards, equipment bases, tools, handrails.
- Performs other related tasks as required.

WORKING RELATIONSHIPS

- Reports to the Maintenance Engineer.
- Works closely with internal stakeholders.

KEY SKILLS AND COMPETENCIES

- Ability to work unconventional hours, as he/she must be on call for emergencies, on land or on the Water Taxi/Inter-island vessels.
- Time Management – Ability to manage his/her time and controlling how much time spent on effectively completing tasks.
- Good communication and interpersonal skills.

QUALIFICATIONS/MINIMUM EXPERIENCE AND TRAINING

- Certificate in Mechanical, Electrical Installation, or any other technical discipline from an accredited institution.
- Minimum one (1) year working in a technical environment.
- Meets the specified requirements for fitness.
