## TEMPORARY TRAFFIC ARRANGEMENTS AT EASTERN MAIN ROAD (GUAICO, SANGRE GRANDE)

The National Infrastructure Development Company (NIDCO) and the Ministry of Works and Infrastructure (MOWI) advise motorists, residents, and pedestrians of upcoming changes to traffic arrangements at Eastern Main Road (Guaico, Sangre Grande) effective **Wednesday 21st May 2025, at 6:00 a.m.** These temporary arrangements are in place to facilitate the completion of the Guaico River Bridge crossing as part of the Elmina Clarke Allen Highway project.

### Motorists are advised of the following:

- ☐ The Eastern Main Road within the construction zone will be closed to general traffic.
- ☐ A temporary bypass will be in effect to facilitate motorists heading northwest in the vicinity of the construction zone (Guaico River Bridge).
- ☐ One-way traffic remains in effect for motorists heading northwest along Eastern Main Road between Railway Road Extension and Railway Road; as well as southeast along Railway Road and west along Railway Road Extension.

### Motorists are also cautioned of the following:

- ☐ Works on the project are ongoing.
- ☐ Proceed with caution and observe all directional signage provided.
- ☐ Comply with instructions issued by police officers/traffic wardens to facilitate a safe and orderly flow of traffic.
- ☐ Be aware of heavy equipment operating in the vicinity of the construction zone.

The MOWI and NIDCO thank you for your kind co-operation as completion of this project is realized.
